

Installer Series - CAT6 Bare Copper Solid UTP (500m)

| Product Features | |
|--------------------------------------|-------------------|
| Packaging | 500m Wooden Drum |
| Conductor Material | Solid Bare-copper |
| Conductor Diameter | 23AWG X 4P |
| Colour | Grey |
| Material | Indoor PVC |
| Diameter | 0.95+/-0.02mm |
| Electrical Specifications | |
| DC Resistance Unbalance | Max 7% |
| Pair-to-Ground Capacitance Unbalance | Max 3458pF/km |
| Nominal Velocity of Propagation | 71-73(%) |
| Propagation Delay | Max 570ns/100m |
| Delay Skew | Max 48ns/100m |
| Characteristic impedance | 100+/-150HM |
